MEDIMMUNE REPLACEMENT PROGRAM

MedImmune is committed to ensuring your practice has the supply of FluMist Quadrivalent it needs. But what happens if you have unused product that is about to expire? The FluMist Quadrivalent Replacement Program is here for you.

1	NOTIFY	Let your distributor know about your FluMist Quadrivalent needs <i>prior to product expiration</i> . *Do not use expired FluMist Quadrivalent.
2	REPLACE	Follow your distributor's instructions regarding replacement.
3	MANAGE	As the season progresses, manage inventory that expires on or before January 29, 2016 . Use those doses first!

To place an order, please call 1-877-358-6478.

NOTE: Order fulfillment for FluMist Quadrivalent will be done through authorized distributors for 2015-2016.
